

FACT SHEET

Member

Your membership will help you stay better informed about critical disinformation issues facing voters in the 2020 Election (and future election seasons too). Help us reach more voices and more communities – and document which suppression tactics are being used especially to suppress the votes of Black, Indigenous, People of Color (BIPOC). Your efforts as an individual member will help to ensure elections are conducted more equitably and that every vote is counted.

SOVAW

Stop Online Violence Against Women

The [Stop Digital Voter Suppression™](#) Project is a grassroots reporting movement that will supplement the work being done by Stop Online Violence Against Women Inc., as well as our extensive data collection efforts with real-life experiences. SOVAW is a 501(c)(3) organization. This project is a nonpartisan endeavor.
